Tumble Bees - Parent and Tot Program

(18 mo - 3 1/2 years) - 45 min

Tumble Bees runs in 8 week sessions. This class works as an introduction to a class atmosphere with help from a parent. It allows for exploration of the students surroundings, while learning the concept of class structure. Our staff will guide you and your child in various activities which will help them develop gross and fine motor skills, coordination, strength, balance, and body awareness.

Tumble Bears -Pre-School Program

(3 1/2 to 5 years) - 1 hour

By encouraging children to move, explore and socialize at a critical period in their development, we can help promote a variety of physical and mental skills that will be valuable all their lives. A creative and positive teaching environment will foster a healthy self-image and boost their confidence.

Recreational Boys Program - Ages 5-12

Our boys' program offers a unique opportunity for boys to get individualized training in a group setting. Concentration is in basic acrobatic, strength, coordination, and tumbling skills.

Rising Stars &Pre-Team -Ages 5-12

These are preparatory classes for gymnasts that are displaying aptitude for competitive gymnastics. Students must be recommended by their coach or have an evaluation by a team coach to attend these classes.

USA Gymnastics Team - Ages 5 & up
